- People using wired robot should make sure that wires does not cause any disturbance to your own robot and arena

Marks Criteria:

- The robot will be considered for prizes only if it completes the whole track
- The robot with the shortest time will be awarded first prize
- Robot will not be allowed to handle for more than 5 seconds at one instance
- Obstacles will be allowed to skip with added 5 seconds

Ways of disqualification:

- Robot's battery should not exceed +12 volts. While on the technical inspection if anywhere is found more than 12V DC, instant settings should be changed to 12V or less than that, and if not the case will lead the particular competitor to disqualify
- Precautions should be taken to safe guard battery terminals if there is any kind of short circuits in the robot while in the arena will lead to disqualification
- Disqualified competitors cannot claim for refund of registration amount so make sure you read all Rules and Regulation before Registering.

Competition Arena:

- Competition arena will be published in our website on Aug 15, 2016.

Awards & Prizes:

General Category:

- Winners: Rs.15,000/-
- Runners: Rs.5,000/-

School Category:

- Winners: Rs.3,000/-
- Runners: Rs.2,000/-
